

Advanced care to get you home faster.

For over 150 years, Ecumen has been committed to excellence and quality. We are a non-profit company with a wide array of housing options and services that range from home care to memory care to skilled care and rehabilitation services. Since 1930, Ecumen Lakeshore has provided health care and housing to local seniors. Our campus offers a continuum of care including: independent living apartments; assisted living including memory care; a short-stay and rehabilitation center; home care; and, transportation services.

REHABILITATION & SHORT-TERM STAYS

Healing here, heading home.

75% of our patients return home after rehabilitation.

Advanced care to get **you** home faster.

The Fountains, Lakeshore's short-stay and complex medical rehabilitation center, provides 60 private rooms in a setting that includes access to Lakeshore's amenities, activities and natural beauty. We offer a welcoming environment for adults who are recovering from an illness, surgery or chronic conditions.

Our excellent outcomes show our care and dedication:

- Private rooms
- In-room wifi and satellite television
- Two-way nurse call communication
- Short-stay rehabilitation, including physical, occupational, and speech therapy to prepare you for your return home
- Complex skilled nursing services
- Health care professionals on duty 24-hours a day
- State-of-the-art rehab technology and exercise equipment

Rehabilitation.

The treatments we provide are as varied as the people we see.
